RULES & POLICIES

Please read the following information carefully. This Contract is invalid unless it is signed and dated below. Please send a copy of the rules and regulations to the person who will be using this pass on-site at the Trade Show so that person will understand the terms of the contract.

The “suitcasing” rule applies.

Suitcasing Rule: Purchasing admission to the Trade Show in no way grants the right to solicit business in any way; that right is reserved exclusively for our exhibitors who have purchased booths. Anyone found violating this policy will be escorted from the Trade Show.

What is Suitcasing: Suitcasing is a parasitic business practice in which unethical companies will gain access to an event by obtaining some type of event credential (attendee badge, expo-only badge, etc.) and then solicit business in the aisles or other public spaces used for the conference.

Single Day Registrations:

Representatives with nonexhibiting vendor companies are not permitted to purchase an Attendee Trade Show only pass, Monday Single Day or Tuesday Single Day Attendee Registration.

Approval of Pass:

Florida Health Care Administration reserves the right to accept or reject without reason any Non-Exhibiting Vendor Trade Show Only Pass.

Florida Health Care Administration reserves the right to determine who is eligible to purchase the Non-Exhibiting Vendor Trade Show Only Pass.

As the authorized representative of my company, I have read the entire terms of the Contract and the rules and policies contained on this contract, which are incorporated herein by reference, and agree to accept and abide by all of this Contract and the rules and regulations outlined.
